and furnishings). The book discusses food options and the importance of feeding a rat a healthy, low-cal, low-fat diet based on fruits, veggies, and legumes plus recipes and menu tips. The author also covers the important considerations of rat proofing the home for keepers who opt to give their pets free run of their dwellings. The chapter "Beginning Your Friendship" discusses rat socialization, handling, grooming, cleaning, and interactions with children and other pets. The health of a pet rat is covered in the "Health Care" chapter that includes choosing a veterinarian, the first vet visit, spaying/neutering, the weekly health exam, plus handling common rat maladies and dealing parasites and emergencies. The real f-u-n begins in chapter seven, "Fun Activities," in which the reader can learn how to train his or her rat to walk on a leash, enrich his rat's life with entertaining games, and learn party tricks to
