Cheeseman's 6th edition Business Law is so clear and concise. Great explanations and illustrations. I took Business Law 1 & 2 in undergrad and found his text extremely helpful. Especially the problems. It also provides a great overview of the law.-One gripe is that the pictures are so lame and irrelevant.

Visually engaging, enticing and current examples with an overall focus on business. Business Law continues to be the most engaging text for readers by featuring a visually appealing format with enticing and current examples while maintaining its focus on business. Readers will learn business law, ethics, and the legal environment in a way that will encourage them to ask questions and go beyond basic memorization.

For one on two semester undergraduate and graduate Business Law courses. This exceptionally comprehensive text, which has been praised for its writing style and accessibility offering longer edited cases with more of the actual language of the court renderings has been updated and now features new chapters to address the many recent changes in Bankruptcy Laws. There is also a new chapter on Family Law. It includes numerous business-oriented features that make the course relevant to future managers and integrates ethics and social responsibility, international, contemporary business issues, and e-commerce in every morsel of the text.

Primarily a text for courses in Business Law, Contemporary Business Law can also serve as a handy resource/reference for newcomers to the world of business. Take students beyond rote memorization and into true understanding of the concepts and their implications. This motivating, up-to-date text presents business law, ethics, and the legal environment in a way that intrigues students, spurs them to ask questions, and takes them beyond rote memorization as they learn the issues and concepts. With its emphasis on covering online law and e-commerce as key parts of the legal environment--as well as today's social, ethical, and international issues that are important to the study of business law--it's the ideal text for your one- or two-semester undergraduate course in Business Law. This text provides a better teaching and learning experience--for you and your students. Here's how: Tailor the material to your specific course with the Custom Database option. Draw students into the material with a rich selection of cases. Address issues critical to the field of business law today.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Visually engaging, enticing and current examples with an overall focus on business. Business Law continues to be the most engaging text for readers by featuring a visually appealing format with enticing and current examples while maintaining its focus on business. Readers will learn business law, ethics, and the legal environment in a way that will encourage them to ask questions and go beyond basic memorization.
