Failure to follow these requirements may lead the insurance carrier into owing penalties in addition to the original value of the claim. Mark Courtois applies his 25 year insurance defense background to give adjusters what they need to know to handle Texas insurance claims correctly. Topics covered in this Guide include: the Prompt Payment of Claims Act, bad faith, unfair settlement practices, subrogation, policy limits demands, and the Texas Deceptive Trade Practices Act. Special worksheets are provided to assist adjusters in responding timely to the time deadlines of first party claims, the time deadlines of responding to an insurance code or deceptive trade practices demand, and a policy limits demands. No adjuster handling Texas claims should be without this Guide.
