can guide you in applying the framework in your own classroom or school and strengthening your professional practice with proven strategies. Broken down into the different domains, components, and elements of the framework, each section provides examples of best practices for the higher levels of performance, followed by a variety of tools that teachers can adapt and incorporate into their instruction. Self-assessments at the domain and component levels help you analyze your own practice. And the activities for each element can be used in your planning or with students, helping you develop the techniques that strengthen your practice. Whether you use the tools on your own or with colleagues in a study group or professional learning community, implementing the framework for teaching can help you become a better teacher. Charlotte Danielson is also founder of the Danielson Group.

Check out The Better Conversations trailer: <https://youtu.be/y3FrWTXC8Uw> "I thought I knew how to have a conversation; I've had millions of them. Some were good, others not so much so. But I want to have GREAT conversations, and Jim Knight has taught me how. The proof is in: better conversations are possible and the results are worth the investment." --DOUGLAS FISHER Coauthor of Rigorous Reading and Unstoppable Learning Because conversation is the lifeblood of any school You don't want this book—you need this book. Why this confident claim? Think about how many times you've walked away from school conversations, sensing they could be more productive, but at a loss for how to improve them. Enter instructional coaching expert Jim Knight, who in Better Conversations honors our

capacity for improving our schools by improving our communication. Asserting that our schools are only as good as the conversations within them, Jim shows us how to adopt the habits essential to transforming the quality of our dialogues. As coaches, as administrators, as teachers, it's time to thrive. Learn how to: Coach ourselves and each other to become better communicators Listen with empathy Find common ground Build Trust Our students' academic, social, and emotional growth depends upon our doing this hard work. It's time to roll up our sleeves, open our minds, and dare to change for the better of the students we serve. You can get started now with Better Conversations and the accompanying Reflection Guide to Better Conversations.
