Emphatic is a sweet romance about a rock star and a beautiful girl next door type who fall madly deeply, emphatically in love but don't truly get together until the book is almost finished. Their romance starts out hot and heavy but then turns into one of the slowest of slow burns I think I've ever read in this genre.

I love Kaylee Ryan's books because she writes basically about men who know that a woman is right for them and they are focused on treating the women right. Kacen embodied this kind of man- since he met Logan, he loved her, even if he didn't know it. She was the "one" and he was unapologetic about it. I swooned a lot. I also loved the other band mates and I am looking forward to reading about ...
