The Collins Cambridge IGCSE® ICT Student Book Second Edition provides in-depth coverage of the 0417 syllabus for first teaching from 2014 with an engaging approach that uses scenarios to build skills and link

the theory to the practice of ICT, while showing students how to make progress, prepare for exams and achieve their targets.

Ict Student Workbook - mitrabagus.com
Independent Living Skills. Students' ability to carry out functional life skills such as grooming, dressing, eating, keeping safe, and socializing (known as adaptive behaviors) are well below age expected levels. To assess independence and daily living skills, the IEP team uses an adaptive behavior test.

Specialized Programs for Students with Disabilities
when the student is age 15 (and at a younger age, if determined appropriate), designed within a results-oriented process that is focused on improving the academic and functional achievement of the student with a disability to facilitate the student's movement from school to post-school activities.
