Goodbye, Darkness is a memoir of a Marine's journey through the Pacific, once during World War II and again in the late 1970's as a journalist and historian. It is a wonderfully-written book which shows the madness of war, the ineptitude of mid-level military leadership, and the bond that men in combat forge.

Manchester's "Goodbye Darkness" is a very touching autobiography of his life, but focusing on his time as combat Marine in WWII. I enjoy reading other autobiographies of Marines in WWII: Robert Leckie, and Eugene Sledge, for example.

Manchester's wartime experiences formed the basis for his very personal account of the Pacific Theater, Goodbye, Darkness: A Memoir of the Pacific War. In this memoir, Manchester uses personal anecdotes from his service on Okinawa in his descriptions of battles on Guadalcanal, Tarawa and Saipan. He stated this in the end notes, as well as clearly denying any attempt at a chronological account.

Churchill (The Last Lion), looks back at his own early life.

This emotional and honest novel recounts a young man's experiences during World War II and digs deep into what he and his fellow soldiers lived through during those dark times. The nightmares began for William Manchester 23 years after WW II. In his dreams he lived with the recurring image of a battle-weary youth (himself), "angrily demanding to know what had happened to the three decades since he had laid down his arms." To find out, Manchester visited those places in the Pacific where as a young Marine he fought the Japanese, and in this book examines his experiences in the line with his fellow soldiers (his "brothers"). He gives us an honest and unabashedly emotional account of his part in the war in the Pacific. "The most moving memoir of combat on WW II that I have ever read. A testimony to the fortitude of man...a gripping, haunting, book."

--William L. Shirer

Chronicling the growth of a recruit from boot camp at Parris Island, South Carolina, to a seasoned troop leader, this memoir also relates the experiences of the 200 marines in A Company, First Battalion, Second Marines, as they engaged in island warfare in the South Pacific at Guadalcanal, Tarawa, Saipan

and Tinian.

A "lively and engaging" history of the Middle Ages (Dallas Morning News) from the acclaimed historian William Manchester, author of The Last Lion. From tales of chivalrous knights to the barbarity of trial by ordeal, no era has been a greater source of awe, horror, and wonder than the Middle Ages. In handsomely crafted prose, and with the grace and authority of his extraordinary gift for narrative history, William Manchester leads us from a civilization tottering on the brink of collapse to the grandeur of its rebirth: the dense explosion of energy that spawned some of history's greatest poets, philosophers, painters, adventurers, and reformers, as well as some of its most spectacular villains. "Manchester provides easy access to a fascinating age when our modern mentality was just being born."
--Chicago Tribune

William Manchester's epic and definitive account of President John F. Kennedy's assassination--now restored to print in a new paperback edition. As the world still reeled from the tragic and historic events of November 22, 1963, William Manchester set out, at the request of the Kennedy family, to create a detailed, authoritative record of the days immediately preceding and following President John F. Kennedy's death. Through hundreds of interviews, abundant travel and

firsthand observation, and with unique access to the proceedings of the Warren Commission, Manchester conducted an exhaustive historical investigation, accumulating forty-five volumes of documents, exhibits, and transcribed tapes. His ultimate objective -- to set down as a whole the national and personal tragedy that was JFK's assassination -- is brilliantly achieved in this galvanizing narrative, a book universally acclaimed as a landmark work of modern history.

"Anguished, beautifully written... The Long Goodbye is an elegiac depiction of drama as old as life." -- The New York Times Book Review From one of America's foremost young literary voices, a transcendent portrait of the unbearable anguish of grief and the enduring power of familial love. What does it mean to mourn today, in a culture that has largely set aside rituals that acknowledge grief? After her mother died of cancer at the age of fifty-five, Meghan O'Rourke found that nothing had prepared her for the intensity of her sorrow. In the first anguished days, she began to create a record of her interior life as a mourner, trying to capture the paradox of grief--its monumental agony and microscopic intimacies--an endeavor that ultimately bloomed into a profound look at how caring for her mother during her illness changed and strengthened their bond. O'Rourke's story is one of a life gone off the rails, of how

watching her mother's illness—and separating from her husband—left her fundamentally altered. But it is also one of resilience, as she observes her family persevere even in the face of immeasurable loss. With lyricism and unswerving candor, *The Long Goodbye* conveys the fleeting moments of joy that make up a life, and the way memory can lead us out of the jagged darkness of loss. Effortlessly blending research and reflection, the personal and the universal, it is not only an exceptional memoir, but a necessary one.

(Biography and Memoir category) What happens after the worst happens? Before May 31, 2008, September Vaudrey's life was beautiful. But on that day, with one phone call from the ER, her whole world—everything she knew and believed—was shaken to the core. Katie, her 19-year-old artist daughter, had been in a car accident and would not survive. How does a family live in the wake of devastating tragedy? When darkness colors every moment, is it possible to find light? Can God still be good, even after goodbye? With the depth of C. S. Lewis's *A Grief Observed* and the poignancy of Joan Didion's *The Year of Magical Thinking*, *Colors of Goodbye* offers a moving glimpse into a mother's heart. Combining literary narrative and raw reflection, September Vaudrey walks through

one of life's worst losses—the death of a child—and slowly becomes open to watching for the unexpected ways God carries her through it. It's a story of love and tragedy in tandem; a deeply personal memoir from a life forever changed by one empty place. And at its core, *Colors of Goodbye* calls to the deepest part of our spirits to know that death is not the end . . . and that life can be beautiful still.
