Hegel's program deals at once with the arbitrary and contingent aspects of evil by removing the factor of human will, and also the unpleasant necessity to explain the inscrutable actions of a personal God. Hegel's critics have pounced on the notion of reconciliation as an inadequate response to the problem of evil.

Because he appeals to those with a bent for reason and a yen for metaphysics, and Hegel dishes that combo out in spades. This is illustrated by his work *The Phenomenology of Spirit* (1807), parts of which Theodor Adorno called “literally incomprehensible.”

The Trouble with Hegel | Issue 129 | Philosophy Now

After motivating the problem and explicating it in some detail in the introduction, I identify a number of possible, but unappealing ways to respond. In Chapter 1 I argue that, motivated by his relationship with Pyrrhonism, Hegel is engaging with this same problem at the start of his *Science of Logic*.
