The group produced two reports, Rethinking language education and linguistic diversity in schools, and Migrants in European schools: Learning and maintaining languages. What are the next steps? The Erasmus+ programme offers new opportunities, such as policy experimentation and large-scale partnerships, to develop new strategies for language teaching and learning in multilingual classrooms.

Multilingual classrooms | Education and Training

Imagining multilingual schools in France is both a challenging question and one that should not be considered as utopian. Nowadays, a growing number of children in French schools are indeed multilingual, but this does not mean our classrooms have become multilingual. We would define a multilingual school as a place where linguistic and cultural diversity is
