The Answer, a compelling tale, unfolds as eight friends discover they all have recently encountered an unusual elderly gentleman. Mysteriously and inexplicably, this kindly stranger appears to them in different settings around the world. On each occasion, he delivers the same message, urging each of them to come to the aid of a place he simply calls the Island. While sharing their odd

encounters, the friends become confident in the reality of their experiences and in the important truth of their visitors messages. As they deliberate making commitments to a yet-to-be-revealed vital mission, the amiable gentleman joins their conversations, facilitating greater camaraderie while also expanding the friends consciousness of dimensions beyond their own. His mere presence is evidence that more exists than previously known. Like other books presented by Claudia, *The Answer* features characters whose gentleness, goodness, and mutual respect embody an enviable way of being.

engineering, and math questions in order to strengthen problem-solving skills. In this workbook, your child will complete several STEM "missions" designed to increase his or her critical thinking and problem-solving abilities. Each mission asks your child to read science passages, answer questions about the passages, solve math problems, and use the knowledge gained to create or design a solution (engineering) to a real world problem. Featuring Life Science, Earth Science, and Physical Science topics, these workbooks are sure to get your child interested in the connection between what he
