For courses in two-semester A&P. Using Art Effectively to Teach the Toughest Topics in A&P Fundamentals of Anatomy & Physiology helps students succeed in the challenging A&P course with an easy-to-understand narrative, precise visuals, and steadfast accuracy. With the 11th Edition, the author team draws from recent research exploring how students use and digest visual information to help students use art more effectively to learn A&P. New book features encourage students to view and consider figures in the textbook, and new narrated videos guide students through complex physiology figures to help them deconstruct and better understand complicated processes. Instructors can also request a new handbook by Lori Garrett, entitled The Art of Teaching A&P: Six Easy Lessons to Improve Student Learning, which explores some of the most common challenges encountered when using art to teach A&P, alongside strategies to address these challenges. Pearson Mastering™ Anatomy & Physiology not included. Students, if Pearson Mastering™ Anatomy & Physiology is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. Pearson Mastering™ Anatomy & Physiology should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. Pearson Mastering™ Anatomy & Physiology is an online homework, tutorial, and assessment product designed to engage students and improve results by helping students stay on track in the course and quickly master challenging A&P concepts. Features in the text are supported Pearson Mastering™ Anatomy & Physiology assignments, including new SmartArt Videos, Interactive Physiology 2.0, Dynamic Study Modules, Learning Catalytics, Spotlight Figure Coaching Activities, lab study tools, Get Ready for A&P, plus a variety of Art Labeling Questions, Clinical Application Questions, and more.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Frederic ("Ric") Martini, joined by accomplished educator, award-winning teacher,
