organisational portfolio, program, and projects ( ' 3P ' )  
governance brings about highly engaged, knowledgeable,  
and effective governance practices, which in turn  
substantially improves business case success. The book  
addresses all three layers of portfolio, program, and project  
within an integrated governance framework, and it answers  
the fundamental questions everyone involved in 3P  
governance must address: What governance structures  
(processes, functions, roles, responsibilities) need to be in  
place to ensure optimal portfolio investment outcomes? How  
do I know our portfolios, as structured, will deliver expected  
benefits and value? What should senior management be  
doing, acting in their portfolio governance roles, to deliver  
great portfolio outcomes? The book introduces and describes
