Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook, on-screen andinteractive.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

English File Third Edition Intermediate Plus is suitable for CEFR level B1+. Intermediate Plus is an optional level, specifically designed for students who have completed an Intermediate B1 course but are not yet ready for an Upper-Intermediate B2. English File Third Edition provides a comprehensive package of completely new lessons, and up-to-date texts. A proven balance of grammar, vocabulary and pronunciation and skills gives students the language they need, and fresh, lively lessons and engaging topics make classes enjoyable and provide the motivation and opportunity to practice and improve.The English File Third Edition Teacher's Book offers a comprehensive walk-through guide to every lesson, in every unit of the English File Third Edtion Student's Book, along with over 70 photocopiable activities. The English File Teacher's Book package comes complete with a Test & Assessment CD-ROM, which includes a complete test for every File, an End-of-course Test, two Progress Tests, and a Quick Test for every File.

English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills.

Teaching and Learning the English Language is a practical guide for anyone seeking to improve their teaching, whether through formal study or on their own. Richard Badger explores teaching English as a problem-solving activity in which teachers must address three fundamental questions: · what aspect of language do students need to learn; · how might they learn this particular aspect of language; · and how can teachers support their learning. Offering a solid, research-based approach along with sound practical advice, this book equips teachers with skills needed to analyse their own contexts and develop their practice. It covers: · Fundamentals of English language · Psychological and social learning processes · TESOL teaching methods and approaches · Lesson planning and classroom management · Language evaluation and assessment · Teaching pronunciation, spelling, grammar, vocabulary and discourse · Teaching listening, reading, writing and speaking · English teacher professional development Pedagogical features include chapter summaries, activities for students and key readings recommendations, and the book is also supported by online resources: video case studies, additional exercises and multiple choice quizzes. Including numerous international lesson examples and case studies, Teaching and Learning English Language is suitable for both trainee and practising teachers who speak English as a first, second or foreign language.

English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills.

English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills.

Deaf and hard-of-hearing students form a specific group of foreign language learners. They need to use foreign languages just like their hearing peers if they want to enjoy the same benefits of globalization and technical advancements of today, yet they cannot take part in the same foreign language education. As sign language users, lip-readers or persons relying on hearing aids or cochlear implants in their everyday communication, they need special support in learning a foreign language. This book has been written by teachers and researchers involved in teaching English as a foreign language (EFL) to deaf and hard-of-hearing students in various different European countries, including the Czech Republic, France, Hungary, Norway, Poland, and Serbia. The chapters mirror both the authors' personal journeys through this field and give insight into various aspects of empirical research into the foreign language acquisition of hearing-impaired learners. They discuss mainly the issue of specific methodology for teaching EFL vocabulary, grammar, reading, writing and speaking to deaf and hard-of-hearing persons and the challenge of effective communication during the classes via sign language, cued speech or the oral approach. Special chapters are also devoted to EFL teachers' experience in special schools for the deaf. Educators interested in practical advice, responses to challenges and worked-out solutions to problems will particularly welcome this book as a useful source of ideas. It will also help novice teachers embarking on their careers in English language education for deaf and hard-of-hearing children and adults.
