Examples of PISA test questions. PISA contains a mixture of questions, and most students will have to answer some science, reading and mathematics questions. The combination of questions will depend on which test booklet you are randomly assigned – PISA has 13 different test booklets. Not only are the topics varied, so are the types of questions. Sometimes, you'll be asked to tick a box, or circle one answer from a choice of four, while sometimes you'll be asked to write a short answer.
