Global Nomads provides a unique introduction to the globalization of countercultures, a topic largely unknown in and outside academia. Anthony D'Andrea examines the social life of mobile expatriates who live within a global circuit of intercultural practice in paradoxical paradises. Based on nomadic fieldwork across Spain and India, the study analyzes how and why these post-metropolitan subjects reject the homeland in order to shape an alternative lifestyle. They become artists, therapists, exotic traders and bohemian workers seeking to integrate labor, mobility and spirituality within a cosmopolitan culture of expressive individualism. These countercultural formations, however, unfold under neo-liberal regimes that appropriate utopian spaces, practices and imaginaries as commodities for tourism, entertainment and media consumption. In order to understand the paradoxical globalization of countercultures, Global Nomads develops a dialogue between global and critical studies by introducing the concept of 'neo-nomadism' which seeks to overcome some of the shortcomings in studies of globalization. This book is an essential aide for undergraduate, postgraduate and research students of Sociology, Anthropology of Globalization, Cultural Studies and Tourism Studies.

Hatchback (plus most features of Van), inc. special/limited editions. Does NOT cover revised Clio range introduced June 2001. Petrol: 1.2 litre (1149cc), 1.4 litre (1390cc) & 1.6 litre (1598cc). Does NOT cover 1.2 litre 16-valve, 2.0 litre 16-valve or 3.0 litre V6 petrol engines. Diesel: 1.9 litre (1870cc) normally-aspirated. Does NOT cover 1.9 litre turbo-Diesel.

Garnering a vast amount of attention from young people and parents, and from book buyers across the country, Smashed became a media sensation and a New York Times bestseller. Eye-opening and utterly gripping, Koren Zailckas's story is that of thousands of girls like her who are not alcoholics—yet—but who routinely use booze as a shortcut to courage and a stand-in for good judgment. With one stiff sip of Southern Comfort at the age of fourteen, Zailckas is initiated into the world of drinking. From then on, she will drink faithfully, fanatically. In high school, her experimentation will lead to a stomach pumping. In college, her excess will give way to a pattern of self-poisoning that will grow more destructive each year. At age twenty-two, Zailckas will wake up in an unfamiliar apartment in New York City, elbow her friend who is passed out next to her, and ask, "Where are we?" Smashed is a sober look at how she got there and, after years of blackouts and smashups, what it took for her to realize she had to stop drinking. Smashed is an astonishing literary debut destined to become a classic.
