All Sharp products have a model number stated on them, some in more than one place. The model number can be found on the original box the item was purchased in, on the product manual, and on the product in the locations described below. All products state "Model:" followed by the model number. Helpful tip: For convenience, if you have a digital camera or smart phone, you may want to take

a digital photo of the model number.

Support - Sharp USA

Sharp has been inventing one-of-a-kind products and solutions that benefit society and business for more than 100 years. Our creed today is the same as it was then: an ambition for excellence. Our story began with the invention of an ever-sharp mechanical pencil (hence the name 'Sharp') and continued with a steady stream of innovative products .
