Tallulah's Tutu by Marilyn Singer - Goodreads

Tallulah just knew she could be a great ballerina, if only she had a tutu. So she starts ballet class. When she does not receive a tutu, she quits. But everywhere she goes, things keep reminding her of ballet. Her neighbor's basset hound always stands in second position. The kitchen clock performs perfect ronds de jambe. And Tallulah can't seem to stop doing ballet, either.

Ta-da! Tallulah, now in paperback, pirouettes her way into the hearts of budding ballerinas! It takes more than plies and pirouettes to be a ballerina - it takes patience, practice, and perseverance, as little Tallulah discovers in this delightful story filled with pink leotards, ballet slippers, and ultimately, a tutu!

Tallulah just knew she could be a great ballerina, if only she had a tutu. So she starts ballet class. When she does not receive a tutu, she quits. But everywhere she goes, things keep reminding her of ballet. Her neighbor's basset hound always stands in second position. The kitchen clock performs perfect ronds de jambe. And Tallulah can't seem to stop doing ballet, either. A park bench makes a perfect barre, and what better way to pet the dog than with a graceful plié? This well-told, funny story with a smart new character will satisfy girls' cravings for pretty and pink, but also shows that ballet is about more than just the tutu.

It's Christmastime, and Tallulah finally gets what she's been wishing for—a part in a real ballet, a professional production of *The Nutcracker*. She's only a mouse, but she works as hard as if she had been cast as the Sugar Plum Fairy. On the night of the show, everything is perfect. But then disaster strikes! Does Tallulah have what it takes to become a real ballerina? A well-told story, gorgeous illustrations, and a beloved character conspire to make a positively magical Christmas book.

Tallulah is certain she will have a solo in her dance school's upcoming performance of *The Frog Prince*. After all, she is now an excellent ballerina. And she's proud that her little brother, Beckett, has started taking ballet too, even though he spends most of his time goofing off. But then Tallulah gets an unexpected surprise . . . and not the good kind. What's a ballerina to do when everything does not go as planned? Ballet and sibling rivalry meet head-on in this fabulous follow-up to Tallulah's Tutu.

Tutus and leotards, pointe shoes and ribbons, stretching exercises at the barre - these are all familiar images when one is thinking of ballet. But there's much more to this historic dance form than pink tulle. There's hard work with years of study. Following the alphabet, in T is for Tutu: A Ballet Alphabet dancer Sonia Rodriguez, with husband Kurt Browning, introduces this dance form from its beginnings at the court of Louis XIV to basic positions and training to famous stage roles. L is for the Leotard that shows the dancer's form. Whenever they are rehearsing it becomes their uniform. Young readers will find themselves pointing their toes, practicing the five positions, and dreaming of being onstage as a sugarplum fairy or a king with a crown. Sonia

than being the best, in this new, snowy addition to the popular Tallulah series. Tallulah is an accomplished ballerina, but she also loves to skate. After all, skating's a lot like ballet—challenging, graceful, and glamorous. Tallulah is positive that with some hard work, she and her friend Kacie will be just as good on the ice as they are at dance. They'll be Super Skaters! But Kacie doesn't want to rehearse fancy moves; she wants to have fun. So Tallulah practices by herself. That is, until an encounter with a talented boy, which ends with an embarrassing mishap. Then Tallulah begins to realize that sometimes having fun is more important than being the best, a needed message for today's goal-oriented, busy kids.

They are one perfect act, but when Miss Lina introduces Regina, a new girl, the group of nine's steps become a mess.

Open up a fresh and stylish story about growing up and keeping hold of your favorite memories. As the year passes, the narrator's favorite dress goes through a series of creative changes, from dress to shirt to tank top to scarf and so on, until all that's left of it is a good memory. Assisted by her patient and crafty mama, the narrator finds that when disaster strikes her favorite things, she doesn't need to make mountains out of molehills—she makes molehills out of mountains—instead! Structured around the days of the week, the story is also illustrated to show the passing of the seasons, a perfect complement to the themes of growing older and keeping hold (and letting go) of special mementos.
