This book provides fundamental strategies every lawyer should know before going into e-commerce based international negotiations, including: -How to build trust in negotiations while using internet communications technologies -Negotiating with governments -Cultural background and overviews of legal systems for specific countries -Substantive laws/regulations which impact negotiations -Special comments on use of internet technology in negotiations -Negotiating across cultures in the digital age -Current issues in negotiating business agreements online -Online alternative dispute resolution

The guide provides analysis and explanation of participants in Section 337 investigations and discusses the unique role played by the ITC. It also focuses on the procedural rules of a Section 337 investigation, including complaint preparation, the discovery process, pre-hearing procedures, the hearing and post-hearing processes and remedies available to a successful complainant. Other topics addressed include enforcement of a violation ruling, parallel litigation and appellate court review of an ITC decision.

With the explosive growth in international investments, more and more lawyers and financial advisors realize the acute need to properly address critical issues of international estate planning for their clients. Whether you are counseling a foreign national or an American citizen, whether your practice is in the U.S. or abroad, whether you want to develop a general expertise in the area or are confronted by these issues on a more frequent basis, this compendium is a necessary and practical resource to help you identify and navigate many of the complex planning and regulatory compliance issues, both legal and tax, involved in international estate planning. In addition to providing a complete overview of the basic principles and procedures of international asset management from addressing the conflict of laws issues that are central in determining which country s laws will govern the disposition of a donor or decedent s wealth to the basic transfer tax rules for nonresident aliens, U.S. citizens, and resident aliens A Guide to International Estate Planning teaches proven strategies, techniques, and practical applications to use for meeting your clients international estate planning needs. Twenty-two detailed chapters are written by trust and estate lawyers with significant experience in international issues. Their advice goes beyond simply highlighting issues in estate planning, emphasizing key issues as compliance, treaty, choice of law, and estate administration problems. This updated edition now includes chapters on FATF and anti-money laundering and offshore compliance, as well as chapters from several foreign jurisdictions to provide comparative insights on different topics."

Provides an overview of the laws of selected countries in North and Latin America, Europe, Asia, and former Commonwealth countries. Includes United States.

This guide has become a best-selling classic for law students and attorneys interested in starting an international legal practice - as a private practitioner, as in-house counsel, in the public sector, or working at an NGO. This Fifth Edition presents a broad lineup of diverse contributors, who share their experiences of how they transitioned into international legal practice. Fifteen authors detail their goals, their paths, and how their professional lives have evolved.

A practical analytical framework for understanding and analyzing a complex and confusing regime of international environmental laws, this resource begins by considering the current state of play of international environmental law and describes the framework for approaching an issue in this area. The book provides a template for analyzing critical international environmental law issues, considers the legal regimes in twenty-six key markets that span the globe, and concludes by discussing global and cross-border matters.

Like an atlas, the LL.M. Roadmap: An International Student's Guide to U.S. Law School Programs provides a series of "roadmaps" to guide prospective LL.M. students through every step of their journey. From assessing your reasons to acquire an LL.M., to choosing an American law school, meeting financial and immigration challenges, and succeeding in law school and a career in law, the LL.M. Roadmap provides straightforward guidance, along with plenty of checklists and reference sources. In ten parts and 33 chapters, this valuable text offers a careful examination of every consideration and contingency for making important life decisions. An indispensable guide for prospective LL.M. candidates, the LL.M. Roadmap features: information and analysis to help readers answer their most pressing questions, such as Should I worry about an LL.M. program's ranking and reputation? How do I get admitted to a U.S. LL.M. Program? What questions should I ask before accepting a U.S. law school's offer of admission? What kind of financial assistance is available? Can I work part-time during my LL.M. program? What will it take to succeed in a U.S. LL.M. program? practical guidance for navigating through the entire LL.M. experience degree and English-language proficiency requirements how U.S. law professors teach legal writing, research, and communication techniques determining whether extracurricular activities will help common immigration and student visa challenges and requirements employment and career advice numerous checklists and lists of resources

YA roadmap to the most important ethical considerations facing legal practitioners in multi-jurisdictional construction practice.
