A GOLDEN TREASURY for the
Children of God by C.H.V.

Bogatzky. We have just published
our second edition of A Golden
Treasury, a devotional (reprinted
in 1746 by the American Tract
Society). Twenty years ago, while
browsing an antique store, I found
this little book by C.H.V. Bogatzky
consisting of writings and poetry
“for every day of the year.”.

Flipping through, I was convinced
that I had found a treasure.

The Golden Treasury of English
Songs and Lyrics is a popular
anthology of English poetry,
originally selected for publication
by Francis Turner Palgrave in
1861. It was considerably revised,

with input from Tennyson, about three decades later. Palgrave excluded all poems by poets then still alive. The book continues to be published in regular new editions; still under Palgrave's name. These reproduce Palgrave's selections and notes, but usually include a supplement of more recent poems. Christop
