A note on the cover image:
The cover of The Art and

picture of Patience, one of
the two stone lions that
guard the entrance to the
New York Public Library.
Addison-Wesley and I chose
that image both to emphasize
the library-based approach
adopted by the text and
because patience is an
essential skill in

The Art and Science of Grazing will allow farmers to gain a solid understanding of the key principles of grazing management so they can both design and manage successful grazing systems. The book's unique approach presents information first from the perspective of pasture plants, and then from the livestock perspective—helping farmers understand both plant and animal needs before setting up a grazing system.
