Eyes on the Prize is an American television series and 14-part documentary about the civil rights movement in the United States. The documentary originally aired on the PBS network and it also aired in the United Kingdom on BBC2.Created and executive produced by Henry Hampton at the film production company Blackside and narrated by Julian Bond, the series uses archival footage, stills and ...

Eyes on the Prize - Wikipedia

This series (along with the sequel, "Eyes on the Prize II") is a classic documentary that, in many ways, pointed to the techniques later adapted by Ken Burns in his documentaries. Given the availability of film and first-person accounts, as well as photos, this is a far more moving and affecting film.

The 30th-anniversary edition of Juan Williams's celebrated account of the tumultuous early years of the civil rights movement From the Montgomery bus boycott to the Little Rock Nine to the Selma-Montgomery march, thousands of ordinary people who participated in the American civil rights movement; their stories are told in Eyes on the Prize. From leaders such as Martin Luther King, Jr., to lesser-known figures such as Barbara Rose John and Jim Zwerg, each man and woman made the decision that ...

Eyes on the Prize: America's Civil Rights Years, 1954-1965 ...

"Keep Your Eyes on the Prize" is a folk song that became influential during the American Civil Rights Movement of the 1950s and 1960s. It is based on the traditional song, "Gospel Plow," also known as "Hold On," "Keep Your Hand on the Plow," and various permutations thereof. An early reference to the older song, "Gospel Plow," is in Alan Lomax's 1949 book "Our Singing Country." The book references a 1937 recording by Elihu Trusty of Paintsville, Kentucky, which is in the Library of Congress. Lom

Eyes on the Prize traces the movement from the landmark Brown v. the Board of Education case in 1954 to the march on Selma and the passage of the Voting Rights Act in 1965. This is a companion volume to the first part of the acclaimed PBS series.

Can Dylan create his own science fair project without accepting too much help from his enthusiastic parents? The Adventures of Everyday Geniuses is meant to demonstrate various forms of learning, creativity, and intelligence. Each book introduces a realistic example of triumph over difficulty in a positive, humorous way that readers of all ages will enjoy! The biggest day of the year at Morecaster School is filled with ideas, hard work, and pressure—it’s time for the annual science fair! Like many kids, Dylan is caught between doing his project on his own, and accepting help from his enthusiastic parents. This year he’s determined to do all the work himself, even if it means his project won’t be perfect. Keep Your Eye on the Prize is an honest and humorous look at encouraging children to be independent in their work and proud of their results. "Barbara Esham deftly deals with what can be a difficult subject for students or teachers to broach. How do you help parents understand when the help they're giving is too much?...This book is as valuable for parents and teachers as it is for young people, and is a great way to help everyone understand how to give just the right amount of assistance." —Academics' Choice Foundation, Dr. Corinne Hyde, Professor of Clinical Education, University of Southern California Praise for the series: "This is a wonderful book series. Each story shows children that success is about effort and determination, that problems need not derail them, and that adults can understand their worries and struggles. My research demonstrates that these lessons are essential for children."—Dr. Carol S. Dweck

“[TRUE SOUTH] does several things at once. On one level, it’s a biography . . . On another, it’s a lucid recap of many of the signal events of the civil rights movement . . . A warm and intelligent book.”—The New York Times “No one is better suited to write this moving account of perhaps the greatest American documentary series ever made. . . . [Else] tells the story with the compassion and eloquence it deserves.”—Adam Hochschild, author of KING LEOPOLD’S GHOST, BURY THE CHAINS, and TO END ALL WARS The inside story of Eyes on the Prize, one of the most important and influential TV shows in history. Published on the 30th anniversary of the initial broadcast, which reached 100 million viewers. Henry Hampton’s 1987 landmark multipart television series, Eyes on the Prize, an eloquent, plainspoken chronicle of the civil rights movement, is now the classic narrative of that history. Before Hampton, the movement’s history had been written or filmed by whites and weighted heavily toward Dr. King’s telegenic leadership. Eyes on the Prize told the story from the point of view of ordinary people inside the civil rights movement. Hampton shifted the focus from victimization to strength, from white saviors to black courage. He recovered and permanently fixed the images we now all remember (but had been lost at the time)—Selma and Montgomery, pickets and fire hoses, ballot boxes and mass meetings. Jon Else was Hampton’s series producer and his moving book focuses on the tumultuous eighteen months in 1985 and 1986 when Eyes on the Prize was finally created. It’s a point where many wires cross: the new telling of African American history, the complex mechanics of documentary making, the rise of social justice film, and the politics of television. And because Else, like Hampton and many of the key staffers, was himself a veteran of the movement, his book braids together battle tales from their own experiences as civil rights workers in the south in the 1960s. Hampton was not afraid to show the movement’s raw realities: conflicts between secular and religious leaders, the shift toward black power and armed black resistance in the face of savage white violence. It is all on the screen, and the fight to get it all into the films was at times as ferocious as the history being depicted. Henry Hampton utterly changed the way social history is told, taught, and remembered today.

Examines the background of the Civil Rights movement

Most children have all of the material possessions that they desire at their fingertips. Marco had nothing but was happy and content until he suffered a tragedy that permanently changed his life without warning. While the rest of the world kept moving, Marco struggled and felt deprived. His dreams were shattered, and he paid his dues as far as he was concerned and was entitled to the fortune that he deserved for the pain he endured. No ordinary career was going to cut it. Now was the time for some double-dealing, and if some people needed to be deceived in the process, so be it. Marco needed to keep his eye on the prize. Avalon’s unadorned prose and measured pace effectively establish the characters. An absorbing thriller with an unforgettable ending. - Kirkus Reviews The plot includes a number of twists and turns, making the book an exciting, page-turning read. Eye on the Prize is a gripping suspense novel for fans of the genre. - Reader's Favorite KC Avalon delivers a dramatic new novel with more than enough psychological complexity within this twisting read to be highly entertaining. - Self-Publishing Review

The 30th-anniversary edition of Juan Williams's celebrated account of the tumultuous early years of the civil rights movement From the Montgomery bus boycott to the Little Rock Nine to the Selma–Montgomery march, thousands of ordinary people who participated in the American civil rights movement; their stories are told in Eyes on the Prize. From leaders such as Martin Luther King, Jr., to lesser-known figures such as Barbara Rose John and Jim Zwerg, each man and woman made the decision that somethinghad to be done to stop discrimination. These moving accounts and pictures of the first decade of the civil rights movement are a tribute to the people, black and white, who took part in the fight for justice and the struggle they endured.

Table of contents

Keep Your Eye on the Prize tells the story of how Ken L. Holmes persevered through racism, segregation, and discrimination to build a successful life for himself and his family.

The Prize recounts the panoramic history of oil -- and the struggle for wealth power that has always surrounded oil. This struggle has shaken the world economy, dictated the outcome of wars, and transformed the destiny of men and nations. The Prize is as much a history of the twentieth century as of the oil industry itself. The canvas of this history is enormous -- from the drilling of the first well in Pennsylvania through two great world wars to the Iraqi invasion of Kuwait and Operation Desert Storm. The cast extends from wildcatters and rogues to oil tycoons, and from Winston Churchill and Ibn Saud to George Bush and Saddam Hussein. The definitive work on the subject of oil and a major contribution to understanding our century, The Prize is a book of extraordinary breadth, riveting excitement -- and great importance.

This story chronicles challenges met and victories realized while living with schizophrenia. Dialogue is included to clearly illustrate the battles faced. Showing that faith in Christ has been the saving grace through it all, is the intention of the authors. Their story can be an inspiration to anyone facing a life challenge.
