Your mind is a very powerful thing, and most of us take it for granted. We believe we aren't in control of what we think because our thoughts seem to fly in and out all day long. But you are in control of your thoughts, and you become what you think about. And that little kernel of truth is the secret power of the mind.

~~The Secret Power of Your Mind to Determine Your Future~~

Your thoughts are a catalyst for self-perpetuating cycles. What you think directly influences how you feel and how you behave. So if you think you ' re a failure, you ' ll feel like a failure.
