Most 14-year-olds find justice and equality to be important issues. They are ready for long-term experiences and their interests are less  
fleeting. They often want to explore the world beyond their own community, and are interested in learning what exists beyond their school,  
hometown, or country.

Development Milestones for Your 14-Year-Old Child  
The nature of a child's understanding of death and bereavement will be different at different stages of development. Although a child's grief is  
individual, their understanding of the loss of a loved one progresses as they mature. In this section you will find the most common  
understandings of death by children at certain stages of their development.

Understanding Your 12-14 Year Old: Waddell, Margot: Amazon ...

After age 12, both areas of growth fall off, which marks the end of the critical period for learning languages (i.e., if language is learned after age 12, the speaker will speak with an accent). As a result of cognitive development and brain changes, 11-13 year olds demonstrate an increased ability to look beyond literal interpretations and understand the metaphoric uses of language.

Language Development in 11-13 Year Olds | Scholastic | Parents

Eleven and twelve year olds are able to participate in a wide variety of activities. Competitions and games are a great way to learn. Most comprehend repentance and some are ready to make a commitment to Christ. More About Understanding Age Groups What 11-12 Year Olds are Like. They usually like and respect their parents.
