Leslie Ludy, popular writer and speaker, has a powerful message for today's single adults. Through personal experience and in interaction with thousands of young women over the past fourteen years, she has found that most Christian young women fall into one of two categories: those who are discontent and unfulfilled, constantly searching for the "right one," and those who are consumed by a passionate romance with Jesus Christ and are living joyful, satisfied lives. Her desire is to help readers move toward the totally surrendered and fulfilling experience rather than one of striving and disappointment. Leslie shares firsthand stories and testimonials of modern-day single women who may sometimes struggle with loneliness and personal desires but who, in following God's plan for them, have discovered a deeper delight, purpose and true joy in their lives. Sacred Singleness gives every single woman the inspiration to live counter to the culture and find amazing opportunity in this sacred season.

In a culture that exalts the caveman-like qualities of masculinity, most women have stopped expecting anything more. Young men are taught to view women as slaves to their self-centered desires. More than ever, men need to know that they can rise above this sad mediocrity. They desperately need someone to recognize their potential for blending courage and kindness, strength and spiritual sensitivity. With its riveting vision of Christ-centered manhood, God's Gift to Women shows young men how to become the heroic, selfless knight that every woman dreams about. Buried Inside Every Young Man Is the Potential to Change the World Deep within the rugged soul of every young man, there is a warrior in search of his sword and a poet in search of his pen. But heroic, prince-like masculinity is something most women only dream of in today's perverse and self-serving world. With contagious passion and boldness, Eric Ludy challenges you to forsake modern male mediocrity for Christ-built, warrior-poet manhood—manhood that will capture the heart of a woman and change the course of history.

Waiting is not easy, especially for Christian young women in this day and age. Many wonder if they should do something to help the process along a little. They date different guys, testing them out, hoping that perhaps one day, they'll figure out which one is "the one." They get physically involved, knowing that they shouldn't, yet it is so appealing. Why Wait? In Let God Write Your Love Story, Katie Garraway shares her story that waiting is worth it. She encourages young ladies to let God be in control of their dreams. Because she has found that God writes the best love stories!

When God Writes Your Love Story challenges singles to take a fresh approach to relationships in a culture where love has been replaced by cheap and diluted sensual passion. This book shows that God's way to true love is not some dull and lifeless formula, but brings fulfillment and romance in its purest, richest, and most satisfying form.
