Well, that is actually what happens but the book is so much more than that!

Wuthering Heights so far has been the standout positive surprise in this process, and it's now getting reshelved on the book shelf I reserve for the very best books I own. The violent, sadistic, emotional, often irrational behavior of the characters in this book is what stands out. It's relentless from start to finish.

The structure of Wuthering Heights is complex: the narrator is Lockwood, Heathcliff's shadowy tenant at Thrushcross Grange. He learns the history of the Earnshaws and the Lintons from Ellen (Nelly) Dean, who has been a servant at both Wuthering Heights and Thrushcross Grange, and whose account fills most of the book.
